NEW RIVER LINE RECEIVES EXCELLENT REVIEW FROM GEOFF MORRIS, WALL-TO-WALL BLUEGRASS,  
VICTORIA, AUSTRALIA

Irvine, Ky (Oct. 22, 2006) - New River Line has received an excellent review from Geoff Morris, DJ for Fresh 895FM in Victoria, Australia.

"Yesterday afternoon, I took time off from what I should have been doing and spent some hours listening to the New River Line album several times, and individual tracks many more times than that. Really, it is a fabulous project without question! The more I listened, the more I realised how brilliantly crafted are the songs on this album. They have a disarmingly direct simplicity masking extremely talented and skilful song-writing, and Dave's lead voice has just a touch of early 'nineties Tony Rice in quality and ornamentation, (beautiful) to capture you and make you want to keep hearing it. A few of the songs, ("Another Love Gone Bad", "Chasing My Dreams Down The Road" and "Home place") have almost a richly flowing Gordon Lightfoot feel about them in how directly and aptly they communicate their message to you. The whole group should be congratulated on a lovely album. Of course I'll be playing from it here in Central Victoria henceforth. A mighty piece of work and, no doubt, much more to come in the future." (Geoff Morris, Fresh 895FM Radio, geoff\_hawkgrass@smartchat.net.au)
