Debut release on Kindred Records, this North Carolina based bluegrass band **Travis Frye & Blue Mountain** project includes an excellent mix of original material and cover tunes that may surprise you.

“Living In A Moment” has some soulful ballads, an upbeat and cheerful rodeo-grass tune, some new twists on classic country, original and classic Gospel, and with band members from the Carolina's you can expect some hard driving banjo pickin' and fiddlin' instrumentals...

**“Great singing, awesome picking,
great songwriting and cool
arrangements!”**

**- Wes Easter
Eastwood Studio**
